

Mastering Leadership and Taking Charge

at the SMU Graduate School of Banking.

6th
Annual Session
Dallas, Texas
May 30 – June 9, 2022

Merit-Based Scholarships provide an immediate return on your educational investment. At the SW Graduate School of Banking (SWGSB) at SMU **we pay for performance!**

For all the details on Merit-based Scholarships and a current catalogue, please call 214-768-2991 or visit our website: swgsb.org

"I consider it a privilege to have received the SWGSB Trustees Scholarship. Attaining this recognition in such a rigorous, yet rewarding program is gratifying and a wonderful conclusion to my SWGSB experience. The knowledge I acquired in the classroom and from my peers is indescribable."

Darla Rooke, President & CEO
Junction National Bank

We Pay For Performance

Merit-based Scholarships Provide an Immediate Return on Your Educational Investment

At SWGSB we believe in paying for performance! Our Merit-based Scholarships recognize top performers, providing an additional incentive to make the most of the "SWGSB Experience." Participants who achieve academic excellence receive an immediate return on their educational investment. From our \$2,500 James B. Gardner/Commerce Street Capital Scholarships and \$1,000 SWGSB Board of Trustees Scholarships to tens of thousands of dollars in industry association scholarships over your SWGSB career, the ROI is impressive by any measure. In fact, some of our SWGSB scholars have had more than 50 percent of their tuition paid through these generous scholarships. With industrywide support — a testament to the school's outstanding curriculum and academic superiority — SWGSB leads the field in creating a "master's of leadership" that transforms careers and raises individual bank performance. This is graduate education at the corporate level, and we never lose sight of it!
